How BIG members can work the Vote

Register & Vote in your State
Use Voter's Guide to Federal Elections
Use Voter's State & Local Governments Guide
Get actively involved, BIG Members
Become a poll worker
Volunteer to work registration booths
Take seniors and others to the polls
Work with your churches on getting the word out on the importance of registering and voting

1. Confirm you are registered to vote several weeks before Election Day.
2. Update your registration if your address, name, or political affiliation has been changed.
3. Know how and when to apply for an absentee ballot if you are unable to vote at your polling place on Election Day.
4. Know your options for early voting.
5. Know the voter identification requirements in your state.
6. Know your polling place and how to get there.
7. Familiarize yourself with the voting device used in your jurisdiction. Learn how the device is accessible to voters with disabilities.
8. Learn what assistance is available in languages other than English.
9. Know what time the polls open and close.
10. Become acquainted with the candidates and issues on the ballot. Consider becoming a poll worker in your community. Call your local election office to learn more.
