OBJECTIVE
Blacks In Government’s (BIG) Monetary Assistance Program (MAP) provides monetary assistance to chapters and regional councils to support their specific activities and projects that are in line with the goals and objectives of BIG. In this manner, BIG becomes more effective in accomplishing its goals.
1. Funding Guidelines

1.1 Requests may be made for refundable or nonrefundable assistance.

Monetary assistance that is not to be refunded may be awarded up to $1,500 for chapters or a regional council.

Monetary assistance that is to be refunded must be repaid in 24 months. This amount may not exceed $3,000. Monetary assistance may range from $1,000 to $3,000.

A combination of each type of assistance may be approved for a single program. This combination may not exceed $4,500.

1.2 No more than one award of assistance may be made to a chapter or regional council within a three-year period.

1.3 MAP funds cannot be applied to expenses associated with any preexisting national programs (i.e., the Annual Blacks In Government National Training and/or Regional Conferences, STEM Student Competition, and Training in Communications Program, etc.).

1.4 The National Program and Planning Committee will review all requests and recommend approval or disapproval to the National Executive Committee. The National Executive Committee is the approving authority for all MAP requests.

1.5 Chapters and regional councils will be made aware of the status or action taken on their request within 30-60 days of submission.

2. Submission of Requests for Funding

2.1 Applications must be submitted during the first month of the quarter prior to the quarter in which funds are needed. Applications received after the deadline will not be reviewed. All applications must be submitted to the BIG National Office.

2.2 MAP application must be completed thoroughly. Incomplete applications will not be reviewed. Application forms are at www.bignet.org

2.3 Requests for assistance require signatures of at least three chapter or regional council officers, whichever is appropriate.

2.4 All requests for assistance must be accompanied by the chapter or regional council current bank statements and supportive financial documentation, as appropriate. Also, include budget for project or activity.

2.5 Chapters must send a copy of MAP application to the Regional Council President at the same time they apply for assistance at the national level. Send the original to:
