Committee Objectives

1) To Inform BIG members of local legislators including all support staff,

2) To Share "legislative calendar" with BIG members-- National and Local,

3) To write resolutions to legislative issues based on local or national issues that BIG needs to get behind and support,

4) To Send out legislation that impacts our members such as National Security, Education, Criminal Justice System, Voter Suppression, Whistleblower, Healthcare, etc.

5) The Legislative Committee will train and educate younger individuals who show an interest in legislative matters.

As members of BIG we have a responsibility to ensure that we educate our members to legislation that impacts the government workforce and our nation, ensuring that the next generation is prepared to lead at the highest levels in government to protect our country’s best interest.

“Our lives begin to end the day we become silent about things that matter.”

Dr. Martin Luther King, Jr.
