

The Southeast Chapter was chartered in 1991 on the premise that it would be dedicated to its membership and develop programs which provide support to African American youth.

Proceeds from the *BIG CLASSIC* support our annual scholarship program for high school and college students.

Over the past ten years the Southeast Chapter has proudly awarded over \$20,000 in scholarships to high school and college students.

The annual Golf Tournament is one of the chapter's major fundraisers for the scholarship program and with your participation we are looking forward to this year's tournament as another successful community event.

Thank you for your support and for Thinking BIG!

A portion of the \$90 entry fee may be tax deductible. A receipt will be provided at the tournament.
